 - **Economic Challenges:** Around 60-70% of the population lives below the poverty line.

Honduras Facts and Figures

Entrepreneurship: A Pathway to Opportunity

Microfinance: Unlocking Financial Access for Entrepreneurs

Women entrepreneurs are the backbone of their communities. Empowering them uplifts families, strengthens economies, and fosters lasting change.

Focus on Rural Areas:
44% of our clients are
from rural areas.

A woman with glasses and a light blue top is speaking into a microphone at a conference. She is seated at a table with a white coffee cup, a glass of water, and a white bag with the IDH logo. Other people are seated at tables in the background, some looking towards the speaker. The setting appears to be a large conference room or hall.

**We foster financial inclusion
by equipping individuals
with the knowledge to make
informed decisions about
finances and participate fully
in the economy.**

Added Economic Value:
As of December 31, 2023, and
July 2024, our clients saw their
revenues increase by 20% and
10% respectively.

Job Creation:
In 2023, 23,168 new jobs were generated.
